Congrats to Michael Murphy, a PPS Foundation HERO!

Michael Murphy is a PPS Foundation Hero and there's no doubt why - he is a giver! He generously gives both his time and very big heart to many passions. We here at the PPS Foundation are so very thankful for his friendship. His dedication to our Little Free Pantries is outstanding. He goes above and beyond by collecting donations and spreading the word in order to make sure the pantries around town are filled up. He is making a real difference in our community.

Thank you Michael Murphy for being both a real life hero and our June Hero of the Month! We appreciate all that you do!

Introducing Buzz Chats, a PPS Foundation Video Series!

Each week we will be connecting with different members of our community to talk about our public schools and how they interact with current events in Peoria.

This week we caught up with PPS Superintendent, Dr. Sharon Desmoulin-Kherat. Check out the video below to hear what's currently happening with Peoria Public Schools and what school may look like in the Fall.

Future broadcasts can be found on our Facebook page each Thursday at 6:30 PM. Upcoming chats include the 2019-20 Student Reps to the School Board and a farewell conversation with PPS School Board President Dan Adler.
