Peoria Public Schools Foundation

The Peoria Public Schools Foundation is committed to strengthening public education in Peoria by raising private dollars to invest in our public schools. The Foundation seeks out donations that positively impact local schools and helps educate students to higher standards.

It supports innovative programs and initiatives that could not otherwise be funded by limited public education dollars. The Foundation recognizes educational excellence, in all grade levels at every public school, as critical to Peoria’s success in the 21st Century.

The Peoria Public Schools Foundation qualifies as a 501(c)(3) not for profit organization and donations are tax deductible as defined by the Internal Revenue Code.

The Foundation is a separate legal entity governed by an independent Board of Directors representing broad community involvement.
